Earned Income Tax Credit (EITC) still available for Working Taxpayers

The EITC continues to be a viable tax credit for over 19 million lower-income working taxpayers. There are no changes to the EITC tax law for the 2001 tax year, but six EITC changes will be effective for tax year 2002.

Information is available at irs.gov (formerly known as The Digital Daily), the IRS' Internet site, or at the direct link [EITC](#), which contains an overview, additional information for employers and tax professionals, and Q&As on the EITC and the Advance EITC. [Tax Tip 32](#) was issued on 2/19/02.
